

Unexpected Death of a Child at a service policy

POLICY STATEMENT:

Lake Mac Newy OOSH understand that the unexpected death of a child at a service is a traumatic event and the impact on educators, children and families can cause emotional turmoil, which can overwhelm usual coping skills. As a result of the suddenness of such an event, well-trained and experienced staff can experience strong emotions and traumatic stress responses. The role of our service is to help restore a sense of safety for all children, educators, and families as soon as possible following a traumatic event.

A policy providing comprehensive procedures is therefore crucial to ensure a coordinated response and ensure the mandatory reporting requirements to the regulatory authorities are followed.

PROCEDURE:

Lake Mac Newy OOSH will ensure that management, staff and educators follow the procedures and principles within this policy and that immediate and appropriate action is taken to notify relevant authorities in the event of the death of a child whilst at the Service. There are a number of legal requirements to adhere to in the tragic event of the death of a child at a Service as outlined below.

SERIOUS INCIDENTS

Regulation 12 defines a serious incident involving the death of a child as:

- (a) The death of a child –
 - I. while that child is being educated and cared for by an education and care service, or
 - II. following an incident occurring while that child was being educated and cared for by an education and care service.

NOTIFICATION OF A SERIOUS INCIDENT

Under the National Law and Regulations [Section 174(2) (a) and Regulation 176 (2) (a)], the approved provider must notify the regulatory authorities within 24 hours of any serious incidents. This must be completed by logging into the [National Quality Agenda IT System \(NQA IT System\)](#).

KEEPING CHILDREN'S RECORDS

In the event of the death of a child whilst being cared for at the Service, records must be kept for 7 years from the date of the child's death. [Regulation 183 (c)]

INITIAL ACTION AND IMPLEMENTATION OF POLICY

Management and educators will ensure that immediate and appropriate action is taken in the event of the death of a child whilst at the Service by following and implementing the following procedures:

1. assess the situation as per service and First Aid procedures for any immediate danger to other children and/or staff
2. provide immediate First Aid and/or CPR in accordance with current First Aid training
3. call emergency services immediately and request an ambulance
4. Management/Nominated Supervisor/Responsible Person will call the parents/guardian of the child and arrange to meet at the hospital (cooperate with emergency services and adhere to their protocols)

5. the Service must not advise parents of the death of their child: medical staff/emergency services will advise families of the situation
6. notify Regulatory Authorities including Police
7. notify the Approved Provider (if not at the service)
8. the Responsible Person will complete in detail the Service's *Incident, injury, trauma and illness* form
9. The approved provider/management will log the incident on the NQA IT System, within 24 hours attaching incident form and evidence <https://www.acecqa.gov.au/resources/national-quality-agenda-it-system>
10. notify SafeWork NSW within the first hour of the incident/fatality occurring
11. secure the area around where the fatality occurred to prevent further incident or injury and to adhere to any non-disturbance requirements for notification of a notifiable incident under Work Health and Safety Act 2011
12. Management/approved provider will contact the insurance company.

THE APPROVED PROVIDER/ NOMINATED SUPERVISOR/ MANAGEMENT WILL:

- follow directions/protocols provided by the Regulatory Authority/ SafeWork. Request support for protocols when notifying families and children; sharing information with a coordinated and effective response and assistance to manage social media adhering to privacy and confidentiality laws
- ensure educators, staff, students, visitors and volunteers have knowledge of and adhere to this policy
- ensure parents, families, children and educators receive adequate and appropriate post-incident support
- demonstrate sensitivity, open mindedness and a balanced approach
- recognise and support cultural needs
- ensure all evidence is preserved
- maintain accurate and detailed record keeping
- contact their legal representative for support and direction
- establish protocols for staff and educators to discuss the traumatic event
- advise staff of social media protocol for the event
- provide professional and sensitive communication with families of the Service
- engage the services of health care professionals (counselling and support for staff)
- cooperate on an ongoing basis with inter-agencies involved in the investigation.

CARING FOR THE WELLBEING OF EDUCATORS, CHILDREN AND FAMILIES

Our Service will engage health professionals who may include child and family counsellors and psychologists to support our educators during this profoundly difficult time. Health professionals will assist educators to be sensitive and mindful of the impact such an event has had on all stakeholders. With professional guidance and support, we will encourage children to express their emotions and feelings and implement strategies to assist and guide children's process of grieving and re-engage children in learning.

Educators will support children's understanding of grief and loss by:

- answering questions simply and honestly
- allowing children to express their emotions and feelings
- provide appropriate comfort
- implement a range of learning experiences to express their thoughts- drawing, movement, play
- create a safe space for time alone when needed

Our Service will seek advice and support from health professionals to provide appropriate materials to send home to families to assist in understanding the effects of trauma on children and possible changes in behaviour following the unexpected death of a child in our Service.
